Subject: Women's Halacha Shiur

To all the women of Young Israel:

Rabbi Wender has generously offered his time on Sunday nights to give a halachah shiur on any halachah topic of interest. He has just completed a 2-part series on Kashrus of the Kitchen which was well attended and much appreciated by many. I can imagine that many people would be interested in taking part in more of the Rabbi's halacha shiurim if they were established, especially since he has offered it to us. I am suggesting that we request a monthly shiur, as many may find it difficult to attend on a more regular basis than that. If anyone thinks they would be interested and able to attend on a twice monthly basis, please let me know. (If enough people feel they can commit to that, then perhaps we can request twice a month). If you are interested in this, please email all suggestions for possible topics of interest within halachah so a consensus can be made.

In the more recent past, the Rabbi has done a halachah class on tefilla. Are there individuals that would be interested in exploring that area again?
Are there those that would be interested in continuing Hilchos Kashrus from the past 2 weeks? Hilchos Shabbos? Tzedakah? (laws of charity) Kibbud Av V'em? (Laws of respecting one's parents)? Hilchos Brachos? (Laws of blessings) I'm just throwing out some ideas that would apply to women of all ages, status, etc.

Please email all ideas, comments or suggestions to Sara Jacobson at ssweet613@aol.com. If you are interested, please be sure to be in touch as soon as possible (by the end of this week), so as not to delay the process of deciding on a topic and getting this rolling. After this Friday, Jan 29th, a decision will be made based on the responses received.

I am truly hoping that we can take advantage of this great opportunity to continue to receive a formal evening shiur from Rabbi Wender, and to add to the new womens' learning opportunities that are already taking place in our community. Yasher Koach.

Thank you!
